Instructions

1. Cut out all the rectangles along the outside solid lines.
2. Cut out the window piece.
3. Glue piece A.2 to piece A.1 along the shaded area ONLY to create a flap. Then, set this piece aside.
4. Color in the image on piece B.1.
5. Cut a rectangular piece of plastic the same size as piece B.1.
6. Place the plastic over the top of piece B.1.
7. Fold piece B.2 along the dotted line.
8. Put glue on piece B.2 and stick over the top edge of piece B.1 and the overlaying piece of plastic.
9. Trace the image on the plastic with a black marker.
